## Snohomish County USBC Open Championship Tournament Rules

1. Participation in this USBC certified tournament is limited to members of the Snohomish County USBC.
2. Entry fee is \$30 per bowler, per event, as follows: Prize Fund \$16.00, Bowling Fee \$9.00, and tournament expense fee \$5.00. All events entry fee is \$5.00 (handicap and/or scratch) and is optional. The prize fund will be returned 100% in each of the Team, Singles & Doubles events, paying 1:5.
3. The first appearance in Team, Doubles, and Singles Events will count toward a bowler's All Events score. A bowler may enter All Events Scratch only once or All Events Handicap only once. All Events payout ratio is 1:12.
4. Multiple participation in Team, Doubles, and Singles is permitted. At least two bowlers must be changed for multiple team participation and one bowler must be changed for multiple doubles participation.
5. This is a one-division handicapped tournament, calculated at 90% of 220 in Singles, of 440 in Doubles, and of 880 in Team. The bowler is required to submit the previous seasons highest average of:
  - a. A single 2021 USBC league average based on a minimum of 21 games if only 1 league
  - b. Bowlers without such a yearbook average may bowl using their highest 2020 Summer League certified average of 21 or more games.
  - c. Bowlers without a certified 2021 yearbook average or 2020 summer league average may bowl using their current season highest 21-or-more game average as of January 1, 2022. Per USBC Rule 319a2, if a bowler's current average is 10 pins or more higher for 21 games than their prior season's yearbook average, the current average with 21 more games as of January 1, 2022, must be used. All other bowlers will bowl scratch (220).
6. Bowlers are responsible for verifying their own average, whether submitted by the bowler, the team captain, or others. See USBC Rule 319a3. Failure to use the correct average shall disqualify score if submitted average is lower than actual average, thereby resulting in more handicaps. Prize winnings shall be based on the submitted average if it is higher than the correct average. However, corrections in averages may be permitted up to the completion of the first game of a series. Failure to make proper corrections shall disqualify score.
7. The average adjustment and reporting requirements of USBC Rule 319c, 319d and 319e shall apply to all entrants. Disqualified teams or individuals shall forfeit all money and awards.
8. A \$35.00 fee will be charged for ALL Returned checks.
9. All first-place ties will be declared co-champions. First and second place prize money will be added together and divided equally.
10. Doubles and singles will be bowled on the same pair of lanes. No shadow (practice) balls are permitted at the start of the Singles Event.
11. A maximum of TWO PBA members will be allowed per team, and only ONE PBA member allowed per Doubles Event. PBA members who are no longer paying members will have a three-year waiting period before being reclassified.
12. Entries (including entry fees and including All-Events) close on March 1<sup>st</sup>, 2022. Forfeited money will be added to the prize fund. No entry fees will be refunded unless entry is disqualified before bowling.
13. Confirmations will be via email, please provide email address with entry form.
14. Lane assignments are computer generated and final. Only the Tournament Manager may modify the lane assignments.
